# WHO WE ARE

- A partner, you can rely on regardless of your needs whether it is an urgent project staffing, supporting your growth or market intelligence needs.
- A team of talent acquisition professionals - who have acquired more than 1000 IT specialists over the past 10 years.
- Team players able to form and work as a team with your hiring department or your management.

# WHAT WE DO

- **Understanding**

finding the best solutions for both employer and candidates

- **Boost**

the performance of your recruiting team or through us acting as your virtual recruitment department.

- **Search**

Extensive search, quality assurance filtering

- **Guarantee**

We have a special 3 month trial period for replacement of a professional who needed to be replaced after placement.

# HOW WE DO IT

- **Professional connections**

10 years in the market, resulting in hundreds of strong personal connections and creating a network of thousands of professional connections.

- **Experience**

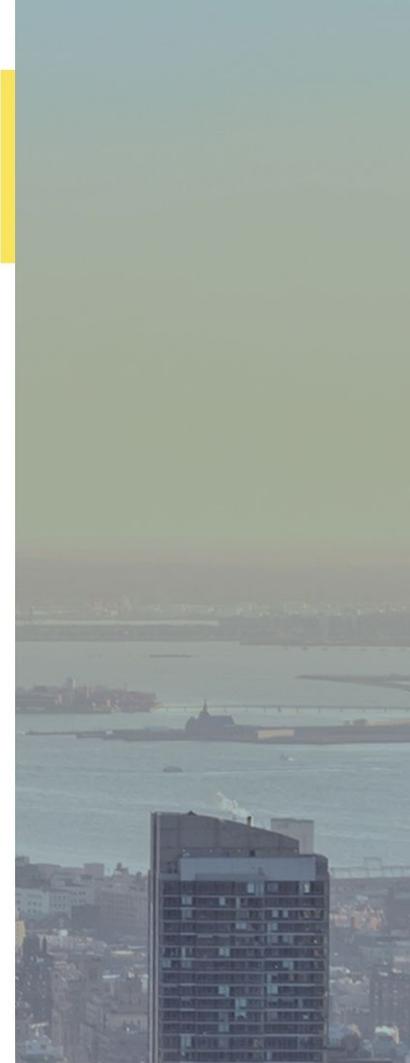

Our Human Resources specialists are experienced in dealing with hardcore IT professionals.

- **Global reach**

We specialize in Central and Eastern Europe Talent and strong international talent discovery & acquisition.

- **Creativity**

Creative & individual approach is our trademark feature. Using a variety of modern techniques, we are able to produce amazing innovations and insights. In the creation of new solutions or innovations, we continue to apply them to a variety of service functions and processes.
